**Sub: Successful Opening of New Branch Office at Kolkata.**

**Dear Sir/Madam,**

Pursuant to Regulations 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are delighted to announce the **opening of our new branch office** in the **prime location** of Kolkata.

The branch is **located at WOL3D Kolkata- Room no. 1001, 10th floor, Merlin Infinite DN-51, Street Number 11, DN Block, Sector V, Bidhannagar, Kolkata, West Bengal 700091.**

The expansion into Kolkata marks a strategic step toward strengthening WOL3D's footprint in **East India**, a region rapidly growing in technology, engineering, education, and manufacturing.

Kolkata's thriving industrial ecosystem, renowned educational institutions, and strong connectivity to major eastern markets make it an ideal hub to efficiently serve B2C, B2B, B2G, and educational sectors.

**Key highlights of the Kolkata branch include:**

- **East India Operations Hub:** The Kolkata branch will function as the central support hub for customers and partners across Eastern India, ensuring faster turnaround times, improved accessibility, and stronger on-ground support.
- **Training & Education Centre:** A dedicated learning space to train students, designers, engineers, and educators in 3D printing, CAD, and digital manufacturing, fostering practical skill development across West Bengal and neighboring states.
- **Experience Centre:** Equipped with 25+ live 3D printers, the Experience Centre will offer hands-on demonstrations, guided sessions, and real-time printing experiences, helping visitors explore the full potential of 3D printing technology.

**WOL3D INDIA LIMITED**

- **Industrial Support for East India:** The Kolkata facility will support key industries such as manufacturing, engineering, architecture, product design, education, and hardware by offering end-to-end prototyping, design-to-print services, and small-batch production tailored to industry requirements.

This expansion aligns with WOL3D's mission to **bridge the gap between ideation and manufacturing**, while supporting the Government's "**Make in India**" initiative by empowering local innovation and production. With this addition, WOL3D now operates **eleven branches nationwide**, and plans are underway to expand further into **other cities in the future**.

**About WOL3D:** WOL3D is a pioneer in the Indian 3D printing industry, dedicated to bridging the gap between **ideation and manufacturing**. As one of India's leading manufacturers and distributors of **3D printers, filaments, and printing solutions**, the company combines innovation, precision, and accessibility to redefine **prototyping, product development, and mass manufacturing**.

Headquartered in **Mumbai**, WOL3D is an **ISO, CE, and RoHS-certified company**, ensuring its products meet global quality and safety standards. Its mission is to **empower individuals, creators, and industries** with seamless, sustainable, and affordable 3D printing experiences.

#### **Our Sub-Brands**

**BRAHMA 3D Farm** – *India's First and Largest 3D Printing Farm*  
Brahma represents WOL3D's commitment to industrial-scale manufacturing. With **200+ high-precision 3D printers operating 24x7**, Brahma enables **prototyping, custom manufacturing, and mass production** across sectors, from automotive and education to consumer goods and engineering design. It stands as a symbol of WOL3D's vision to make "**Make in India**" a reality through **digital manufacturing**.

**VINGLITS** – *India's First 3D Printed Toy Brand*  
Vinglits brings creativity and technology together, offering a vibrant range of **collectibles, wiggly, and plausible 3D-printed toys** that celebrate imagination and craftsmanship. Conceptualised and produced entirely in India, Vinglits reflects WOL3D's mission to make 3D printing **fun, educational, and accessible to the next generation**.
