Dear Sir/Madam,

**Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR")**

In compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you that WOL3D India Ltd has entered a Memorandum of Understanding (MoU) with Aptech Limited, a pioneer in the non-formal vocational training and assessment business in the country with a significant global presence. Aptech has successfully trained students, professionals, universities & corporates through its two main streams of business - Individual Training and Enterprise Business Group. This arrangement is to jointly introduce a new 3D Printing & Product Design Program for its students.

Additional information required to be disclosed, in accordance with SEBI Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, issued in connection with Regulation 30 of SEBI LODR has been set out under **Annexure A**.

About WOL 3D India Limited - WOL3D is a pioneer in the Indian 3D printing industry, committed to bridging the gap between ideation and manufacturing. Renowned as a leading manufacturer and distributor of premium-quality 3D printers and filaments.

WOL3D's products are designed to adhere to RoHS compliance, ensuring safety and environmental responsibility. The company serves as the official master distributor for global giants like Creality, Bambulab, Elegoo, Phrozen, and Flashforge. Additionally, it partners with global OEMs to develop exclusive product lines under its brand names, including Pixel, I-Tech, Gen X, and Hi Smart Series.

WOL3D stands out with several key competitive advantages that solidify its leadership in the 3D printing industry. The company proudly hosts India's first 3D Printing Experience Centre in Mumbai's Lower Parel, and 8 other Locations in India offering hands-on exposure to cutting-edge technology. Their comprehensive after-sales service supports all customers, including those who purchased from competitors, ensuring seamless experiences. With an in-house 3D filament factory in Bhiwandi, Mumbai, WOL3D enhances product quality and operational efficiency.

Their appearance on Shark Tank India Season 2 significantly boosted their brand value. As the first Indian 3D printing company listed on NSE Emerge, WOL3D has set a benchmark for industry growth and innovation. With 9+ Experience centres and offices across India.

WOL3D also have a Brahma 3D printing farm at the Mumbai location with more than 200 printers to reach to customers with ease and accessibility of 3D printing.

3D printing transforms the manufacturing landscape with its quick, cost-effective, and flexible approach to designing and producing parts. By eliminating tooling, WOL3D enables product teams to accelerate development cycles, test multiple design options, and seamlessly bring creative visions to life. Their printers support a range of materials, from liquid or powdered plastic to metal and cement, to meet diverse manufacturing needs.

We will continue to provide further updates on the progress and any other material developments concerning this initiative as per applicable regulatory requirements.

This is for your information and record.

Yours faithfully,

**Wol 3D India Limited**
