**Sub.: Successful Opening of New Branch Office at Chennai.**

**Dear Sir/Madam,**

Pursuant to Regulations 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are delighted to announce the **opening of our new branch office** in the **prime location** of Chennai.

The branch is **located at WOL3D Chennai - Main building, G. floor no. 443, Guna Complex, Anna Salai, Teynampet, Chennai - 600018.**

The expansion into Chennai is a strategic move aimed at strengthening WOL3D's presence in **South India**, one of the fastest-growing regions for technology, engineering, and manufacturing. Chennai's strong industrial base, presence of top educational institutions, and proximity to key markets in **Tamil Nadu, Kerala** make it an ideal location to serve **B2C, B2G, B2B and educational sectors** efficiently.

**Key highlights of the Chennai branch include:**

- **South India Operations Hub:** The new branch will serve as the central hub to support customers and partners across Southern India, ensuring faster turnaround and improved service accessibility.
- **Training & Education Centre:** A dedicated space designed to train **students, design professionals, and engineers** from Chennai and nearby cities, fostering skill development in 3D printing and digital manufacturing.
- **Experience Centre:** Featuring **25+ live 3D printers**, the centre will allow visitors to experience the full capabilities of 3D printing through live demonstrations and interactive sessions.
- **Industrial Support:** The facility will cater to **automotive, manufacturing, engineering, IT, and hardware industries**, providing end-to-end prototyping, design, and production solutions tailored to industry needs.

**WOL3D INDIA LIMITED**

This expansion aligns with WOL3D’s mission to **bridge the gap between ideation and manufacturing**, while supporting the Government’s “**Make in India**” initiative by empowering local innovation and production. With this addition, WOL3D now operates **ten branches nationwide**, and plans are underway to expand further into **Kolkata and other metropolitan cities**.

**About WOL3D:** WOL3D is a pioneer in the Indian 3D printing industry, dedicated to bridging the gap between **ideation and manufacturing**. As one of India’s leading manufacturers and distributors of **3D printers, filaments, and printing solutions**, the company combines innovation, precision, and accessibility to redefine **prototyping, product development, and mass manufacturing**.

Headquartered in **Mumbai**, WOL3D is an **ISO, CE, and RoHS-certified company**, ensuring its products meet global quality and safety standards. Its mission is to **empower individuals, creators, and industries** with seamless, sustainable, and affordable 3D printing experiences.

#### Our Sub-Brands

##### **BRAHMA 3D Farm – India’s First and Largest 3D Printing Farm**

Brahma represents WOL3D’s commitment to industrial-scale manufacturing. With **200+ high-precision 3D printers operating 24×7**, Brahma enables **prototyping, custom manufacturing, and mass production** across sectors — from automotive and education to consumer goods and engineering design. It stands as a symbol of WOL3D’s vision to make “**Make in India**” a reality through digital manufacturing.

##### **VINGLITS – India’s First 3D Printed Toy Brand**

Vinglits brings creativity and technology together, offering a vibrant range of **collectable, wiggly, and poseable 3D-printed toys** that celebrate imagination and craftsmanship. Conceptualised and produced entirely in India, Vinglits reflects WOL3D’s mission to make 3D printing **fun, educational, and accessible to the next generation**.
