Sub.: Delhi Branch Office cum Experience Centre expansion.

Dear Sir/Madam,

Pursuant to Regulations 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are delighted to announce the **opening of our new branch office** in the **prime location** of Delhi.

The branch is **located at WOL3D Delhi - 1214, 12th floor, Modi Tower, 98, Nehru Place, New Delhi, Delhi 110019.**

The expansion into Delhi marks a significant advance for WOL3D as we expand our presence in North India, one of the country's most vibrant regions for technology, education, engineering, and manufacturing. With its excellent connectivity, strong industrial clusters, and proximity to key markets across **Delhi NCR, Haryana, Uttar Pradesh, Rajasthan, and Punjab, Delhi** is the perfect strategic location to efficiently serve **B2C, B2B, B2G, and educational sectors.**

As the demand for 3D printing in Delhi continues to surge, WOL3D is proud to announce its move to a **bigger, better, and more immersive space**, expanding from **1119 sq. ft. to a spacious 2196 sq. ft. facility.** This upgraded Delhi office is designed to be more than just a branch; it is a destination where innovators, students, creators, engineers, and businesses can walk in, explore cutting-edge 3D printing technologies, and experience live demonstrations like never before. With enhanced capacity, improved infrastructure, and a more engaging environment, the new space reflects WOL3D's commitment to serving North India with superior accessibility, deeper technical support, and an elevated customer experience.

WOL3D INDIA LIMITED

Reg. Add: 18 Ground Floor, Bombay Cotton Mill, Dattaram Lad Marg, Kalachowky, Mumbai – 400033.

Key highlights of the Delhi branch include:

North India Operations Hub: The new Delhi branch will function as the central hub for all operations across North India, ensuring quicker deliveries, improved customer response times, and more efficient support for resellers, institutions, and corporate partners.

Training & Education Centre: A dedicated learning space designed to train students, engineers, designers, and industry professionals across Delhi NCR and neighbouring states. The centre will promote hands-on learning in 3D printing, digital manufacturing, CAD modelling, and prototyping.

Experience Centre With 25+ Live 3D Printers: Visitors can explore more than **25 running 3D printers** at the Experience Centre, showcasing real-time printing, product demonstrations, and personalised consultations to help customers understand the full potential of 3D printing.

Industrial & Enterprise Support: The Delhi facility will cater extensively to automotive, electronics, engineering, architecture, product design, hardware manufacturing, and IT industries. It will offer complete solutions, including prototyping, design services, tooling, batch manufacturing, and production support.

This expansion aligns with WOL3D's mission to **bridge the gap between ideation and manufacturing**, while supporting the Government's **Make in India** and **Digital India** initiatives. By empowering creators, businesses, start-ups, and institutions, WOL3D continues to drive innovation through accessible and modern manufacturing technologies.

With the opening of the Delhi branch, WOL3D now operates **10 branches across India**, with further expansions planned in **Kolkata and other major metropolitan cities**, strengthening our nationwide reach.

About WOL3D: WOL3D is a pioneer in the Indian 3D printing industry, dedicated to bridging the gap between **ideation and manufacturing**. As one of India's leading manufacturers and distributors of **3D printers, filaments, and printing solutions**, the company combines innovation, precision, and accessibility to redefine **prototyping, product development, and mass manufacturing**.

Headquartered in **Mumbai**, WOL3D is an **ISO, CE, and RoHS-certified company**, ensuring its products meet global quality and safety standards. Its mission is to **empower individuals, creators, and industries** with seamless, sustainable, and affordable 3D printing experiences.

WOL3D INDIA LIMITED

Our Sub-Brands

BRAHMA 3D Farm – India’s First and Largest 3D Printing Farm
Brahma represents WOL3D’s commitment to industrial-scale manufacturing. With 200+ high-precision 3D printers operating 24x7, Brahma enables prototyping, custom manufacturing, and mass production across sectors — from automotive and education to consumer goods and engineering design. It stands as a symbol of WOL3D’s vision to make “Make in India” a reality through digital manufacturing.

VINGLITS – India’s First 3D Printed Toy Brand
Vinglits brings creativity and technology together, offering a vibrant range of collectable, wiggly, and poseable 3D-printed toys that celebrate imagination and craftsmanship. Conceptualised and produced entirely in India, Vinglits reflects WOL3D’s mission to make 3D printing fun, educational, and accessible to the next generation.

Our all branch office details are as follows:

Sr. No	Branch Location	State
1	2nd Floor, Hakoba Compound, Bombay Cotton Mill, 19/B(1, Dattaram Lad Marg, Kalachowki, Byculla East, Byculla, Mumbai, Maharashtra 400033	Maharashtra
