Sub: Intimation for Earnings Conference Call for H1 FY 2025-26

Dear Sir,

Pursuant to **Regulation 30** of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, this is to inform you that the Company will hold the earnings conference call for H1 FY 2025-26 on Wednesday, November 19, 2025, at 12.30 P.M. (IST).

The details of the aforesaid earnings conference call are annexed herewith.

Kindly note that only information available in the public domain will be shared/discussed and no unpublished price-sensitive information will be shared/discussed during the interaction with investors/analysts.

The audio recording and transcript of the aforesaid call will be subsequently published on the website of the Company and will be intimated accordingly.

We kindly request you to take this intimation on record and disseminate the same to the members of the exchange.

About WOL3D: WOL3D is a pioneer in the Indian 3D printing industry, dedicated to bridging the gap between ideation and manufacturing. As one of India's leading manufacturers and distributors of 3D printers, filaments, and printing solutions, the company combines innovation, precision, and accessibility to redefine prototyping, product development, and mass manufacturing.

Headquartered in Mumbai, WOL3D is an ISO, CE, and RoHS-certified company, ensuring its products meet global quality and safety standards. Its mission is to empower individuals, creators, and industries with seamless, sustainable, and affordable 3D printing experiences.

WOL3D INDIA LIMITED

Our Sub-Brands

BRAHMA 3D Farm – India’s First and Largest 3D Printing Farm

Brahma represents WOL3D’s commitment to industrial-scale manufacturing. With 200+ high-precision 3D printers operating 24x7, Brahma enables prototyping, custom manufacturing, and mass production across sectors — from automotive and education to consumer goods and engineering design. It stands as a symbol of WOL3D’s vision to make “Make in India” a reality through digital manufacturing.

VINGLITS – India’s First 3D Printed Toy Brand Vinglits brings creativity and technology together, offering a vibrant range of collectable, wiggly, and poseable 3D-printed toys that celebrate imagination and craftsmanship. Conceptualised and produced entirely in India, Vinglits reflects WOL3D’s mission to make 3D printing fun, educational, and accessible to the next generation.

The said information is also being made available on the Company's website, i.e., <https://www.wol3d.com>

This is for your information and records.

Thanking You,

Yours sincerely,

For WOL3D India Limited

(Formerly Known as WOL3D India Private Limited)
